

RESEARCH PARTICIPATION

Are you living with schizophrenia and aged 45 or over?

We are looking for people to share their experiences with digital technology and mental health tools. Your voice matters in shaping better support for your community.

Who can take part

✓ Aged 45 or over

Living in the community

✓ Diagnosed with schizophrenia

Confirmed diagnosis of schizophrenia

✓ Residing in Australia

Currently live in Australia.

✓ Any level of digital experience

Request over the phone assistance or paper-based surveys if required (contact info below)

What is involved

- A short survey about your experiences with digital tools and technology; approximately **30 to 40 minutes**
- Available **online** or in **paper format**
- Participation is **completely voluntary**
- All responses are **anonymous and confidential**

Get in touch or find out more

RESEARCHER CONTACT

Problems accessing the survey? Please contact Shelci Martin at Shelcim@students.federation.edu.au

A telephone option is also available for those who need additional support (Contact Shelci on via email to organise an interview).
