Ideally, Board members should be available for each meeting, however, we understand that there may be occasions when someone is not able to attend. Board members are able to be present either in person or virtually, such as by phone or Teams.

Members nominating for a position can expect that the same schedule - third Tuesday of the above months - will repeat in the second year of their term. This is with the exception of the December meeting which may be held on the second Tuesday if the third Tuesday falls close to our end of year closure.

This year, the positions open for election are the Deputy Chair, Treasurer and Ordinary Members. To nominate for one or more of our vacancies, please use the links on the following page or complete and return the forms on the pages that follow.

If you are a Primary Member who is unable to attend the AGM and would like another Primary Member to vote on your behalf in the AGM and Board elections, please complete a Proxy Form attached or at the link on the next page.
